DEAR COLLEAGUES, SCIENTISTS AROUND THE WORLD!

WE REALLY APPRECIATE YOUR SUPPORT, ESPECIALLY IN SUCH HARD TIME FOR OUR COUNTRY.

We really appreciate your scientific achievements and want to develop scientific cooperation with you very much. But even more, we want to continue our life in a democratic country, free from Putin`s totalitarianism and barbarism, to develop scientific research is aimed only at human values.

RUSSIAN SOLDIERS HAVE INVADED UKRAINE AND ARE KILLING UKRAINIANS EVERY DAY SINCE FEB. 24, 2022.

Now, you can help to our country in this terrible situation and there is a simple possibility to do this via a financial support to our army.

Even 10 Eur can defense the Ukraine and the Peace in the Europe.
